VALENTIN ORDER &
ORDER OF SERVICE

JOHN G. KOELTL, District Judge:

The plaintiff, who is currently a pretrial detainee at the North Infirmery Command (NIC), brought this pro se action under 42 U.S.C. § 1983 against the City of New York (sued as "Municipality of the City"), the Warden and Deputy Warden of NIC, various John Doe and Jane Doe Correction Officers at NIC, and "known & unknown Detainees inmates." ECF No. 1. The complaint alleged that the defendants were deliberately indifferent to a serious risk of harm to the plaintiff. By Order dated April 22, 2025, the Court granted the plaintiff's request to proceed in forma pauperis, that is, without prepayment of fees.¹ ECF No. 8.

By Order dated April 23, 2025, the Court requested that the City and NIC Warden and Deputy Warden waive service of the summons and complaint, and dismissed without prejudice the

plaintiff's claims against the John and Jane Doe defendants and "known & unknown Detainees inmates." ECF No. 9. On May 7, 2025, the Department of Correction declined to waive service of the summons and complaint. ECF No. 11.

The plaintiff has filed an amended complaint, received May 20, 2025. ECF No. 12. The amended complaint brings claims pursuant to § 1983 for deliberate indifference against the City of New York; Joanne Matos, the Warden of NIC; Christa Black, the Deputy Warden of NIC; New York City Department of Correction Commissioner Lynelle Maginley-Liddie; "Officer Corrections working A post area 5th floor #1, #2"; and Correction Officer Williams ("Correction Officer in 5 North day [of] incident").

DISCUSSION

A. Unnamed Defendant

Under Valentin v. Dinkins, a pro se litigant is entitled to assistance from the district court in identifying a defendant. 121 F.3d 72, 76 (2d Cir. 1997). The amended complaint supplies sufficient information to permit the New York City Department of Correction ("DOC") to identify the unnamed "Officer Corrections working A post area 5th floor #1, #2" on the day of the alleged March 1, 2025 assault at NIC. It is therefore ordered that the New York City Law Department, which is the attorney for and agent of DOC, ascertain the identify of that unidentified defendant whom the plaintiff seeks to sue in this case and the

address where that defendant may be served. If the "Officer Corrections working A post area 5th floor #1, #2" defendant is a current or former DOC employee, the Law Department should note in the response to this Order that an electronic request for a waiver of service can be made under the e-service agreement for cases involving DOC defendants, rather than by personal service at a DOC facility. If the defendant is not a current or former DOC employee, but otherwise works or worked at a DOC facility, the Law Department must provide a residential address where the individual may be served. The Law Department must provide this information to the plaintiff and the Court within sixty (60) days of the date of this Order.

Upon receipt of this information, the Court will deem the complaint amended as to "Officer Corrections working A post area 5th floor #1, #2" and will issue an order of service with respect to that defendant.

B. Service on the City, NIC Warden, NIC Deputy Warden, Commissioner Maginley-Liddie, and Correction Officer Williams

The Clerk of Court is directed to notify electronically the New York City Department of Correction and the New York City Law Department of this Order. The Court requests that defendants City of New York, NIC Warden Joanne Matos, NIC Deputy Warden Christa Black, Commissioner Maginley-Liddie, and Correction Officer Williams waive service of summonses and that the New

York City Law Department respond as directed in the Valentin order.

C. Local Civil Rule 33.2

Local Civil Rule 33.2, which requires defendants in certain types of prisoner cases to respond to specific, court-ordered discovery requests, applies to this action. Those discovery requests are available on the Court's website under "Forms" and are titled "Plaintiff's Local Civil Rule 33.2 Interrogatories and Requests for Production of Documents." Within 120 days of service of the complaint, the defendants must serve responses to these standard discovery requests. In their responses, the defendants must quote each request verbatim.²

CONCLUSION

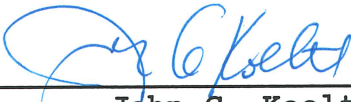

The Clerk of Court is directed to notify electronically the New York City DOC and the New York City Law Department of this Order. The Court requests that defendants City of New York, NIC Warden, and NIC Deputy Warden waive service of summonses. The Clerk of Court is further directed to mail an information package to the plaintiff.

² If the plaintiff would like copies of these discovery requests before receiving the responses and does not have access to the website, the plaintiff may request them from the Pro Se Intake Unit.

Local Civil Rule 33.2 applies to this action.

SO ORDERED.
